NOTE: Those eligible for membership in more than one district shall be enrolled in their primary place of employment - dues will not be "double paid". For instance, if you are employed with UUSD and are a CTA member there, you would then pay only the CCA and MPFA portions through your college payroll.

ANOTHER NOTE: ***If you are a CTA member elsewhere, you are not automatically a member of MPFA!!! You must opt into MPFA in addition to your other membership.***

- Dues payments are withdrawn in equal amounts for 8 months in Fall & Spring semesters (Sept-Dec & Feb-May)
- If you do not have an assignment in a particular semester, you will be moved to a temporary inactive status until you have another assignment.
