## ARTICLE 4 – ASSIGNMENTS

### 4.01 DISTRICT, DEPARTMENT, AND FACULTY RIGHTS AND RESPONSIBILITIES

#### A. District Rights and Responsibilities:

1. To meet student, community, and District needs, the District has the authority to develop the class schedule, including the array, location, and times of courses and services. The District has the right of assignment, and no obligations to employ faculty engaged in hourly assignments beyond those in law are expressed or implied in this Agreement.
2. The District, as represented by the supervising administrators and in collaboration with department full-time faculty and/or faculty program coordinators/directors, will determine the schedule of classes and services to be offered.
3. The District will communicate with part-time faculty in order to promote transparency in making hourly assignments. Prior to assigning classes or hours to part-time unit members for the upcoming semester/term:
  - a. The District shall request unit members notify the District of their availability and scheduling preferences for the semester/term being scheduled as follows:
    - i. The query for the spring will be sent the first week of the fall semester.
    - ii. The query for the fall will be sent the first week of the spring semester.
    - iii. The query for the summer will be sent by October 1 of the preceding year.
  - b. Part time unit members will then have a minimum of fourteen (14) calendar days to complete the online Availability Form to the District, and the District shall specify the deadline for receipt. The form will request the following information:
    - i. Their availability to teach in the semester/term being scheduled.
    - ii. Number of sections requested.
    - iii. Preferences for days and times of classes, and any restrictions on availability.
    - iv. Preferences for specific courses.

- c. If the part-time faculty member does not return the form prior to the deadline, the District may consider the unit member unavailable to consider for the semester/term being scheduled as specified in 4.02. B.
4. To facilitate the part-time unit member reemployment preference and assignment process, the District shall:
  - a. Maintain an accurate length-of-service list by department, and discipline, including faculty name, number of courses taught, and most recent date of hire.
  - b. Unit members will maintain their original date of hire until there is a break in service of two consecutive academic years. Performing an assignment in the fourth semester preserves the part-time faculty member's position on the length-of-service list.
  - c. Unit members who do not perform an assignment in the semester following a break in service of two (2) academic years, lose their position on the length-of-service list. Performing a new assignment establishes the date of return to paid service and a new, most recent date of hire.
  - d. Unit members not employed by the District within the previous four semesters must reapply by the same dates as the availability forms are due for each term.
  - e. The date of hire and number of courses taught will determine a faculty member's position on the length-of-service list. The date of hire is defined as the date of first paid service or return to service if there is a break in service as described in 4.01 A.4.b "Number of courses" is defined as courses and number of sections taught.
  - f. The District will update its length-of-service list each semester by October 1 and March 1 and forward it to MPFA and the supervising faculty administrators prior to part-time assignments being made.
  - g. The District will maintain an accurate history of the courses that have been taught by part-time faculty employed by the District. The District will also maintain an accurate history of the non-teaching work program areas (such as general counseling, special program counseling, library work) worked by unit members employed by the District.

- h. The District will maintain an accurate list of the disciplines in which each unit member has been approved to meet the state minimum qualifications to teach or equivalency as determined by Board Policy (7211). This list will be available in Mendocino College Shared Documents (OneDrive), available through MyMendo, in the Human Resources folder. It will not include the cross-discipline courses that a faculty member may be eligible to teach.
- i. The District will evaluate part-time unit members per Article 13 – Evaluation Procedure. The lack of an evaluation will be the equivalent of a satisfactory evaluation.

B. Faculty Rights and Responsibilities:

1. Offer Rights:

- a. Offer Rights confer a contractual entitlement to an offer of at least one course for any given semester, according to the assignment procedure in 4.02.B. The District commits to making such offers to eligible unit members in any given term that assignments are available with respect to the unit member’s position on the length-of-service list.
- b. A right to an offer does not imply any guarantee about specific courses, specific days, specific times, or specific locations.
- c. The names of all unit members with offer rights will be added to the length-of-service list as defined in 4.01. A.4
- d. Unit members earn offer rights and shall be placed on the length-of-service list after having completed four (4) semesters of service to the college; and they have an evaluation rating of “Meets Professional Standards” on their initial evaluation, or a rating of “Needs Improvement” on their initial evaluation and then a rating of “Meets Professional Standards” on a subsequent evaluation.

2. All part-time faculty desiring hourly assignments are responsible for timely response to the District’s request for availability.

3. All part-time faculty are responsible for complying with District processes for determining hourly assignments, meeting specified deadlines, and reviewing the District’s length-of-service list to confirm accuracy.

4. Faculty members are responsible for timely notifying the District or MPFA of any errors.

#### 4.02 ELIGIBILITY AND GUIDELINES FOR MAKING HOURLY ASSIGNMENTS

A. Eligibility: To be eligible for a given hourly assignment, a faculty member must meet the following applicable criteria:

1. Satisfactory performance based on the most recent evaluation. Faculty with a “Meets professional standards” or “Needs Improvement” recommendation will be considered eligible for an hourly assignment, unless the faculty has “A Needs Improvement” evaluation for two consecutive evaluation cycles which includes an improvement plan but where identified improvements were not made.

2. Minimum qualifications: A part-time faculty member who meets the Minimum Qualifications as defined in the “Minimum Qualifications for Faculty and Administrators in California Community Colleges” in the discipline of the course or service is considered eligible to teach the course(s) or provide services unless a course or modality (online) is identified as requiring Special Expertise.

3. Courses will be identified as requiring Special Expertise by full-time faculty in consultation with a Dean.

- a. The full-time faculty in consultation with a Dean will specify the course or modality requiring special expertise and the criteria for meeting the special expertise requirements. The criteria will be relevant, objective, verifiable and reasonable. These criteria will be available on OneDrive in the Human Resources folder.

- b. For course level specific expertise, part-time faculty seeking a special expertise designation will submit a letter of explanation and documentation verifying they satisfy the special criteria to Human Resources to forward to the responsible Dean. For Distance Education, training documentation will be verified through the Instruction Office.

- c. The responsible Dean and full-time faculty in the discipline, or related discipline within same Learning and Career Pathways, will review the documentation to determine whether criteria have been met. Communication of determination will be issued to the part-time faculty and Human Resources by the responsible Dean.

B. Guidelines for Making Assignments: In making assignments, the District will consider the following criteria in the following order:

1. Eligibility, as described in 4.02.A

2. Timely response to the District's solicitation of interest.
  3. Position on the length-of-service list for each faculty member. The District will consider stated course and scheduling preferences. However, if load is available, the District will offer the assignments to which a faculty member is entitled even if there are no available assignments that satisfy the faculty member's stated preferences.
    - a. In ranked order of the length-of-service list, which leads with the number of sections taught, then date-of-hire, the District will offer at least one course.
    - b. Subsequent assignments will be made by the Dean in collaboration with the department and in communication with part-time faculty in the discipline.
- C. Non-assignment of Part-Time Unit Members: Part-time unit members may not be given an assignment by the District for the following:
1. One Unsatisfactory evaluation.
  2. A Needs Improvement evaluation for two consecutive evaluation cycles which includes an improvement plan but where identified improvements were not made.
- D. Release of Assignment: Actions listed below with due process afforded via the grievance procedure.
- a. Immoral or unprofessional conduct.
  - b. Dishonesty.
  - c. Unsatisfactory performance.
  - d. Evident unfitness for service.
  - e. Physical or mental condition that makes him or her unfit to instruct or associate with students.
  - f. Persistent violation of, or refusal to obey, the school laws of the state or reasonable regulations prescribed for the government of the community colleges by the board of governors or by governing board of the community college district employing him or her.
  - g. Conviction of a felony or of any crime involving moral turpitude.
- E. Assignment Notifications:
1. If an adjunct unit member teaching in a current semester does not receive an assignment for the subsequent semester the Instruction Office shall notify the unit member in writing through the Notification of Intention Not to Rehire for Next Semester form (Exhibit 6). Notifications will be sent by November 30<sup>th</sup> for the Spring Semester and March 31<sup>st</sup> for the Fall Semester.

2. A Teaching Assignment Report will be emailed to each part-time faculty member who are teaching in the current semester and are scheduled to teach in the next semester. This report will be sent by November 30<sup>th</sup> for the Spring semester, and March 31<sup>st</sup> for the Fall semester. The Teaching Assignment Report will list all classes assigned to the part-time instructor for the next semester as of that date. Changes in assignment may occur between the date the Teaching Assignment Report is issued and the issuance of the official contract as the schedule is analyzed for conflicts and student access.

3. A written contract outlining the assignment will be sent to the unit member for their signature per regular District contract timeline (normally five weeks prior to the beginning of the semester barring any extenuating circumstances). Other written or verbal agreements are non-binding.

4. The exclusive representative may request a load report for the subsequent semester by October 20 (for Spring assignment) and March 20 (for Fall assignments) and such requests will be responded to by the next business day.

#### 4.03 LIMITATIONS ON HOURLY LOAD; PART-TIME LOADS IN EXCESS OF 67 PERCENT

##### A. Limitation on hourly load

1. Cumulative hourly assignments will not exceed 33.5 percent per semester
2. Service as a substitute on a day-to-day basis will not be used for purposes of calculating eligibility for contract or regular status-of the 33.5 percent limit on load.
3. Service performed in non-instructional activities will not be used for purposes of calculating eligibility for contract or regular status or the 33.5 percent limit on load.

##### B. Part-time Faculty Loads in Excess of 33.5 percent

1. At the discretion of the District, a unit member may work over 33.5% (10 lecture hour equivalents) in one semester. When this is necessary, an annual contract as a temporary employee for the Fall and Spring semesters shall be issued at the beginning of the academic year. The contract may be amended during the year, but under no circumstances shall the annual contract exceed a total workload of 67% FTE (20 lecture hour equivalents) for the academic year. Reasons for an annual contract include, but are not limited to, the following:
  - a unit member is only available to work for one semester in an academic year
  - the teaching assignment includes a course which has a higher load in one semester than another (i.e., intercollegiate athletics)
  - the absence or termination of a full-time faculty member
2. A one-year agreement as defined here is not an expression of any commitment to continue offering a faculty member additional one-year agreements. As this is a commitment for the entire academic year, unemployment benefits cannot be claimed for the winter break. The faculty member's evaluations will continue on the

established cycle. After completion of the one-year assignment, the provisions for offers will be those appropriate to the faculty member's classification as described in 4.03.A.

#### 4.04 CANCELLATION OR AMENDMENT OF HOURLY ASSIGNMENTS AFTER ELECTRONIC PUBLICATION OF THE SCHEDULE:

After assignment offers are made, the District may amend or cancel an hourly assignment under the following conditions:

- A. Enrollment: Inadequate class enrollment.
- B. Full-time faculty Load: To fulfill the load requirement of a full-time faculty member qualified to fulfill the assignment.
  - 1. For instructional assignments, the decision to cancel an hourly assignment in order to offer it to a full-time faculty member as part of their contract load must be made by the supervising administrator no later than two (2) weeks after the first scheduled class meeting.
- C. Contractual Remedies: To make whole a faculty member who was harmed due to a violation of the Contract. In this instance, the load will, whenever possible, be taken from the faculty member who initially and inadvertently benefited from the contractual violation, or the faculty member lowest on the length-of-service list.
- D. Schedule Adjustment: To accommodate a required schedule adjustment, an hourly assignment may be changed by the District in consultation with the affected faculty member, as long as the original load offered to the faculty member is not reduced.
- E. Faculty evaluation: Termination due to an "Unsatisfactory" evaluation rating determined in compliance with the timeline specified in Article 13: Evaluation Procedure & Exhibits 2, 3, & 4, or a "B Needs Improvement" evaluation rating per the timeline specified in Article 13 & Exhibits 2, 3, & 4.
- F. 33.5 percent load limit: To ensure that an adjunct faculty member's cumulative load does not exceed 33.5 percent.
- G. Additional conditions for cancellation of hourly assignments
  - 1. Financial: Change in District financial situation;
  - 2. Staffing: Change in District staffing needs;
  - 3. Program: Change in program.
- H. Other: As a consequence of events beyond the District's control.

4.05 HOURLY ASSIGNMENT PRIORITY FOR UNIT MEMBERS DIRECTLY AFFECTED BY DISCONTINUATION OF A CERTIFICATE OR PROGRAM

- A. The unit member will maintain all applicable offer rights earned in the original department or program.
- B. Reassignment Outside the Discipline
  1. If the unit member is not qualified for any of the assignments that exist in the discipline of the discontinued certificate or program, and if the unit member meets the minimum qualifications for assignments in other departments, then they may request a reassignment from the Vice-President of Academic Affairs within six months of the discontinuation of the certificate or program.
  2. Based on the unit member's qualifications, the VPAA, in consultation with the appropriate department faculty, will assign the unit member to one or more departments. The unit member will be added to the adjunct faculty pool in the new department.
  3. The date that the unit member performs an assignment in the new department will be the unit member's new departmental date of hire.

- 9.05.03 Industrial Injury or Illness Leave begins on the first day of absence and is reduced by one day for each work day of absence as included in the individual contract for the part-time faculty member, regardless of the number of hours absent or the amount of the worker's compensation award.
- 9.05.04 If the sixty (60) days of leave are depleted, entitlement to sick leave is then used, but only the amount of sick leave which, when added to the worker's compensation award, equals the amount of pay for the work hours scheduled for that day.
- 9.05.05 Worker's compensation awards are assigned to the District. The amount paid to a part-time faculty member for industrial leave, sick leave, and/or worker's compensation will not exceed the amount of pay for the work hours scheduled for that day.

- 9.06.8 Part-Time Faculty must have a sick leave balance of at least ten (10) hours after donating leave.
- 9.06.9 Catastrophic Leave may initially be approved up to a maximum of one month of the contract. If the catastrophic illness or injury continues, an additional month may be approved.
- 9.06.10 Human Resources shall adjust all employee leave balances for the donation and use of Catastrophic Leave. All time donated shall be credited on an hour-for-hour basis regardless of pay differentials between donating employee and recipient.
- 9.06.11 Catastrophic leave shall not be used in conjunction with Workers' Compensation Leave.

## ARTICLE 13 - EVALUATION PROCEDURE

- 13.01 Purpose: The purpose of this evaluation process is to recognize the strengths and achievements of the Instructor, Counselor, or Librarian and encourage improvement in job performance through a regular, formal review focusing on self-awareness, instructional effectiveness, and the practice of varied and effective instructional activities.
- 13.02 Unit members shall be evaluated once during their first semester of employment and a minimum of once each six semesters thereafter according to the appropriate part-time faculty evaluation process included in Exhibit 2 (Part-time Instructor), Exhibit 3 (Part-time Counselor), or Exhibit 4 (Hourly Librarian).
- 13.03 Schedule
- A. Unit members will be notified by the third week of a semester if they are to be evaluated.
  - B. Evaluations being conducted shall be sent to the Part-Time Faculty Instructors, Counselors and Librarians for signature by December 15<sup>th</sup> for the Fall Semester and by May 15<sup>th</sup> for the Spring Semester. (See Evaluation Exhibits 2,3,4 for more on Process.) Part-time Faculty signature indicates awareness of the report only.
  - C. Unit members will be evaluated once during their first semester of assignment and a minimum of once every six semesters thereafter. Evaluations conducted in the Fall Semester will be completed by January 31st and evaluations conducted in the Spring Semester will be completed by June 30th.
  - D. If the evaluatee receives a rating other than "Continue on regular evaluation schedule," they are entitled to a meeting with their supervising Dean, upon request, to discuss the evaluation prior to the completion dates. At their choosing, they may be represented by an MPFA representative. The evaluatee has the right to attach a response in writing to the evaluation following the meeting placed in the unit member's personnel file.
  - E. "Completed" means that all processes are finished, and all required signatures obtained on the "Certification of Completion."
  - F. Unit members who receive a rating on their evaluation summary other than "Continue on regular evaluation schedule," will receive a follow-up evaluation in their next Mendocino College teaching assignment, or the next semester for Counselors and Librarians.

13.04 Confidentiality: To protect the rights of all unit members and all other participants, all aspects of the evaluation process are to be kept in the strictest confidence. Evaluatees may choose to share documents with those outside the evaluation process (e.g. with MPFA).

13.05 Evaluator

A. Part-Time Instructors:

1. Will be evaluated by a Faculty Peer, if available. The Faculty Peer must be a Full-Time Instructor in the same discipline as the Part-Time Instructor. If a Faculty Peer is available to participate in the evaluation process, they will complete the evaluation in cooperation with the Dean.
2. If a Faculty Peer is not available to participate in the evaluation process, a Full-Time Faculty member will be assigned from a related discipline.
  - a. A “related discipline” is one in the “Learning and Career Pathways” meta-major groups.
  - b. P-T faculty shall have the right to disagree with a related discipline faculty assignment by notifying the Dean, the MPFA President, and the Academic Senate President by email within 2 weeks of being notified of their evaluator.
  - c. In the event of such a disagreement, it shall be resolved in a meeting of the evaluatee, the MPFA President (or designee) and the Academic Senate President (or designee).
3. If neither a Faculty Peer nor a Full-Time faculty in a related discipline is available, the Dean or an academic administrator assigned by the dean will conduct the evaluation.
4. When an Instructor teaches at more than one college location, only one administrator and/or Faculty Peer, or faculty in a related discipline will be assigned and only one evaluation done.
5. Whenever an evaluation is conducted by someone other than a Faculty Peer, the Dean will forward the evaluation documents to the Academic Senate for peer review.

B. Part-Time Counselors:

The Dean of Counseling and Student Programs will establish evaluation teams for Part-Time Counselors which will include one Full-Time Counselor and the Dean.

For Part-Time Counselors assigned to a college center, the center Dean will be added to the team or replace the Dean of Counseling and Student Programs.

C. Part-Time Librarians:

Hourly Librarians will be evaluated by the Head Librarian once during their first semester of assignment and a minimum of once every six regular semesters thereafter. Evaluations conducted in the Fall Semester will be completed by January 31<sup>st</sup> and evaluations conducted in the Spring Semester will be completed by June 30<sup>th</sup>.

13.06 Evaluatee

- A. The Evaluatee will be responsible to email and other communications, including requests to schedule meetings throughout the process outlined in this Article.
- B. The Evaluatee will provide documents as required in this Article.

13.07 Process

I. Face to Face Process

- A. Prior to a classroom visit, the Evaluator, in consultation with the evaluatee, will select one class taught by the Instructor to be visited and schedule the classroom visit, and at least two weeks prior to the visit, provide the instructor with the following:
  - 1. The date of the classroom visit (not prior to Census date)
  - 2. A copy of Self-Assessment (Form B) to be completed and returned to the Evaluator by the classroom visit.
  - 3. A request that a copy of the syllabus, sample tests and supplementary instructional materials be presented to the Evaluator at the time of the classroom visit.
- B. If the evaluatee utilizes Canvas in their course to be evaluated, the evaluator will arrange Canvas access with the DE Coordinator for the week of the scheduled classroom visit.
- C. During the classroom visit, the Evaluator will:
  - 1. Visit the classroom for approximately one hour with the intent of completing the Evaluation Summary (Form A).
  - 2. Administer the Student Evaluation (Form C) during the classroom visit and collect the completed forms.

3. Receive from the Instructor the completed Self-Assessment (Form B), the course syllabus, sample tests and supplementary instructional materials requested.
- D. Following the classroom visit, the Evaluator will:
1. Review the completed Self-Assessment (Form B), referring to any recommendations from the prior evaluation.
  2. Review the course syllabus, sample tests, Canvas materials (if used) and supplementary instructional materials received, comparing them to the content and requirements of the official course outline of record.
  3. Summarize the student evaluation results and comments (which may not be used as the sole basis for dismissal).
  4. Complete Evaluation Summary (Form A) which is to be signed by the Evaluator; attach the Self-Assessment and a summary of the student evaluation results, including student comments.

## II. Online Process

- A. Prior to reviewing a Canvas course, the Evaluator, in consultation with the evaluatee, will select one class taught by the Instructor to be visited, agree to the materials to be reviewed, and schedule the two-week Canvas access. The Evaluator will refer to the "Online Instruction Evaluation Guide" for direction in evaluating the course.
1. Communicate the course to be evaluated to the Instruction Office to arrange access and addition of the Student Evaluation form to the Canvas shell.
  2. Arrange a "tour" of the course with the evaluatee (subject to agreement and prior to the evaluation), which will not count as part of the evaluation.
- B. At least two weeks prior to the Canvas access, provide the instructor with the following:
1. The dates of the Canvas access (not prior to Census date).
  2. A copy of Self-Assessment (Form B) to be completed and returned to the Evaluator prior to the week of access.
  3. A request that a physical copy of the syllabus be sent to the Evaluator prior to the week of access.
- C. During the weeks of Canvas access, the Evaluator will:
1. Review the agreed-upon Canvas materials with the intent of completing the Evaluation Summary (Form A).
  2. Review the course syllabus, instructor feedback to students, tests/quizzes, and supplementary instructional materials available, comparing them to the content and requirements of the official course outline of record.

- D. Following the weeks of Canvas access, the Evaluator will:
1. Review the completed Self-Assessment (Form B), referring to any recommendations from the prior evaluation.
  2. Receive from the Instruction Office a summary of the student evaluation results and comments (which may not be used as the sole basis for dismissal).
  3. Complete Evaluation Summary (Form A) which is to be signed by the Evaluator, attach the Self-Assessment and a summary of the student evaluation results, including student comments.

III. All Teaching Assignments

- A. As indicated in the Instructional Faculty Evaluation Guide, student comments will be used with caution. Individual student comments should not be emphasized if they are isolated; the evaluator will look for contextualizing pieces of evidence.
- B. If a rating of “B-Needs Improvement” is given, “Re-evaluate during next Mendocino College teaching assignment” will be checked unless a correction can be readily made (e.g. updating syllabus or other minor changes). In this case, the needed corrections will be specified and a due date for documentation of the correction will be established.
- C. If a rating of “Unsatisfactory” is given, the evaluator may recommend re- evaluation or no further assignment. As indicated in 13.03.d., the instructor may request a meeting with the supervising Dean.
- D. When an instructor teaches in more than one discipline, a rating of “B-Needs Improvement” will only apply to and impact assignments associated with the discipline being evaluated. A rating of “Unsatisfactory” may apply to any assignment if the deficiencies noted are not associated with the delivery of the specific content in the discipline.
- E. If requested by the Instructor, the Evaluator will conduct a post-evaluation conference with the evaluatee to discuss the results. (Other conferences may also be arranged as necessary to complete the evaluation process.)
- F. If the final recommendation is “Re-evaluate during next Mendocino College teaching assignment,” the evaluator will conduct a post-evaluation conference with the evaluatee to review needed improvements and provide a written corrective action plan.
- G. Forward the completed evaluation documents to the Instructor for review, comment, and signature (per 13.03. B.)

- H. Forward the signed evaluation documents to the Dean, who will then forward them to the President of the Academic Senate for review if the evaluation was conducted by a non-Peer.
- I. The Dean will forward the completed and signed evaluation documents to the Vice-President of Academic Affairs once the prior process is complete.
- J. The Vice-President of Academic Affairs will:
  - 1. Review and sign the evaluation documents.
  - 2. Forward the signed evaluation documents to Human Resources for inclusion in the instructor's personnel file.
